Windy City Equipment

“Using ESC mobile was a growth catalyst drastically improving the customer experience and cash flow while simultaneously slashing costs. WCE’s success and explosive growth would not have been possible without the FieldEdge | ESC team!”

Windy City Equipment

Founded as a one-man operation, WCE has grown from its humble beginnings to accommodate over 2,000 restaurants and institutions.

Grew revenue 360% over the past 24 months

Increased revenue from 1.1 to 4 million with ESC

How Has ESC Helped?

Payment Processing

By using ESC to take payments in the field, Windy City Equipment is collecting on invoices 5x faster

Customer Experience

Having full customer history at their fingertips gave WCE the knowledge to provide the best possible customer experience

ESC Mobile

Being able to access everything on ESC Mobile was a key feature that helped Windy City Equipment go completely paperless
