

DECEMBER 2017

Joanna Ribner
President
Southern Chute, Inc.

"As a growing business, we needed a dependable solution that would maximize our up-time and help our staff provide even more excellent service. ESC has supported this growth by saving time in the office and field, while providing savings that have helped us to increase our workforce. Our standard for our clients is very high and I am glad that the ESC team upholds this same dedication to our business."

Southern Chute, Inc.

South Florida's premier source for repair, maintenance, and cleaning trash chutes, laundry chutes, and dryer riser for over 20 years.

Recognized leader in service, parts, and fire code compliance inspections & repairs

Proud to be a family-owned & operated, A+ rated business with the Better Business Bureau

How Has ESC Helped?

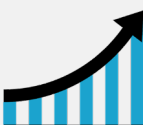

Paperless Dispatching

- Reduced expenses by 20%
- Customer info at hand reduces first-time fix-rate and eliminates hours of manual data entry each week

Reliable Business Intelligence

- QuickBooks integration keeps finances accurate
- Simple to access reports for every area

Growth You Can See

- Increased revenue through agreements automation
- Cost savings have led to a larger sales force
